Dear Parents/Guardians,

TAMIL NEWSPAPER SUBSCRIPTION

The Tamil Department is making arrangements to purchase the Tamil Murasu newspaper for our Tamil pupils on a weekly basis. Tamil Murasu on Monday comes with a students' edition, the Manavar Murasu (student supplement for primary students) and Ilayar Murasu (student supplement for secondary and tertiary students) that contains refreshing articles that enthuse our young learners in schools.

Tamil Murasu is one available media resource that is enriched with many diverse articles to supplement the teaching and learning of Tamil language. Newspapers play a profound role in engaging and sustaining the interest in the language. Especially in language classrooms, newspapers are instrumental in serving as useful resources for effective classroom discussions.

At Naval Base Primary we would be using the Manavar Murasu and Ilayar Murasu to supplement our teaching to enrich Tamil pupils' extensive reading. Thus, we would like to strongly encourage the TL pupils to purchase the newspaper through the school.

I look forward to your support towards this meaningful effort on our part to help kindle your child' / ward's interest in Tamil Language. Please do sign to acknowledge that you have read the letter and return the reply slip through your child to their respective Tamil Language Teachers by Thursday, 16 February 2017.

Thank You.

With Regards,

Mrs Morgan
