FROM THE PRINCIPAL'S DESK

NBPS/2017/50

20 March 2017

Dear Parents/Guardians,

Welcome back to another school term! With your child firmly at the heart of our work, our teachers continuously strive to bring out the best in every child. At Naval Base Primary, we consistently seek to develop the whole child by providing students with meaningful and connected learning experiences. With continued support from parents, we will nurture our students and ignite the passion to learn and explore.

## Welcome to NBPS Family

I would like to welcome Mr Sharudin B Abdul Rashid who has joined the NBPS Family as Subject Head/ PE.

## Every Parent a Supportive Partner

When schools and families work together, children have a far better chance of not only being successful in school but being successful in life as well. Our partnership with parents contributes greatly to helping our Navalites achieve success. We will continue to work closely with you and appreciate your feedback and insight on your child's learning.

The mid-year Parent-Teacher Conference (PTC) is one of such collaborative avenues. The next PTC for Primary 1 to 6 levels has been scheduled for **Thursday, 25 May** and **Friday, 26 May** from 8.00 a.m. onwards. We will provide more details on the PTC nearer the date.

## Punctuality and Attendance

Students are required to report to school and be seated in the hall by 7.50 a.m. every morning except Friday when they report at 7.20 a.m. We seek your cooperation and support to ensure that your child adheres closely to this school rule as late-coming is considered a school offence. Punctuality is a good habit we hope that all students will learn as part of their holistic and life-long education.

We would also like to reiterate the importance of your child's regular attendance and active participation in all school activities. Teaching and learning cannot take place effectively if a child is frequently absent with no valid medical reasons. We seek your cooperation and support as parents to ensure that your child is in school regularly so that he/she may achieve his/her learning potential.

## **Character Development**

Our school recognises the importance of character development and values education as the basis of primary school education. As a school, besides implementing the various programmes to inculcate these values, we also encourage our students to work towards improving themselves and developing their character.

Each student is given a LOVE (Live Our Values Everyday) Card for teachers to give affirmation of the good behaviour that he/she has displayed. We hope that you can encourage and motivate your child to do good deeds at all times. In NBPS, school programmes are structured for students to achieve the following outcomes:

- An Engaged Learner
- A Concerned Citizen
- A Morally Upright Individual
- A Confident Leader

Hence, we seek your utmost support and co-operation in the programmes that your child participates in.

## **Everyday Responsibilities**

As part of the Habits for Life @ NBPS, our students learn to take care of shared spaces in the school. This includes the daily cleanliness of the classrooms and canteen. With this initiative we hope to inculcate in our students a sense of responsibility and good life habits. At the same time, we want them to be able to exhibit the school values of Self-Discipline, Respect and Compassion.

To ensure that your child continues to be self-motivated and develop these everyday responsibilities at home, we seek your cooperation to be part of this initiative. We hope that your child can help out with simple household chores and keep your homes clean. This would cultivate good life habits both in school and at home.

## **Term 2 - Calendar of Activities and Schedule**

We have attached the Calendar of Activities for Term 2 and Schedule for After School Programme for your information. We will keep you updated if there are any changes.

I would like to thank you for your continued support as we grow as a school and bring out the best in all Navalites.

Thank you.

Warmest regards,

Sita Singh (Mrs)  
Principal
