FROM THE PRINCIPAL'S DESK

NBPS/2018/67

16 April 2018

Dear Parents/Guardians,

## SCHOOL UPGRADING TO SUPPORT HOLISTIC EDUCATION

### Greetings from NBPS!

Our school will undergo upgrading works under PERI (Primary Education Review Implementation), as part of MOE's plans to support holistic education. These works will include the construction of additional facilities such as the Indoor Sports Hall, redesigned classrooms, performing arts studios and various learning areas. These new facilities will encourage greater interaction and self-discovery, and facilitate experiential and hands-on learning.

During the upgrading works, which will begin this week, the school will continue to operate at its current site. As such, we will take the necessary measures to ensure safety, security and smooth operations during the upgrading period. There will be hoarding works in some areas of the school, which students will have no access to.

#### School Side gate

The school's side gate will be affected by hoarding works. From 23 April 2018 onwards, this gate **will only be open in the morning (7.00am to 7.45am) and during dismissal (Mon and Tue - 2.00pm to 2.30pm, Wed, Thu and Fri - 1.30pm to 2.00pm)**. To ensure student safety during the upgrading works, they will only be able to use the main gate or back gate (near OPSS) after being dismissed from CCA, remedials or other school activities.

#### Traffic

There will be an increase in heavy vehicle movement along Yishun Street 81. We will remind the students to be alert and be mindful of the traffic changes along this street.

We appreciate your continual support and cooperation in your child's holistic education.

Warmest regards,

Sita Singh (Mrs)  
Principal
