Dear Parents / Guardians,

P5 Overseas Cultural Immersion Trip 2018

The school is organising a 6-day Overseas Cultural Immersion Trip to Shanghai and Hangzhou, China for our P5 students. The main objectives of the trip are to enable our students to be immersed in the Chinese culture and history in a reputable primary school, as well as to increase their knowledge and sensitivity to cultures different from their own. Other than having the opportunity to interact with the students in Hangzhou, our students will also participate in educational tours to historical places of interest in and around Shanghai and Hangzhou.

The details of the programme are as follows:

Places	Shanghai and Hangzhou, China
Date	1 September to 6 September 2018
Estimated Cost	\$1400* (There will be subsidies for Singaporean Citizens.)
<i>Singapore Permanent Residents and non-Singapore Citizens will have to pay the full amount (i.e. 100% of the total cost).</i>	

(* The actual fare will be made known in due course when the school receives and evaluates the quotations from tour agencies.)

Students who wish to sign up for the trip are required to write an essay in English of about 200 words (using Annex A). They will need to tell us why they are interested in going and what they would like to achieve from this trip. In addition, they will also need to get the endorsement of a teacher who is currently teaching or has taught them to support their participation in the trip.

Your child/ward will need to submit the essay, together with the Reply Slip, to his/her form teacher by **Wednesday, 7 February 2018**. You will be informed if your child/ward is selected in due course and a deposit of \$100 in cash/cheque will be required to confirm his/her participation. Before the trip, they may also be required to partner with student visitors from China to experience how it is like to interact with students from overseas.
