Dear Parents/Guardians,

Parents Gateway is a mobile application developed by Ministry of Education and GovTech for parents to interact with schools more conveniently. You will be able to use this application to stay updated on school's programmes and activities. As Naval Base Primary School will be using the Parents Gateway mobile app to notify dates of events and seeking consent for Learning Journeys trips or other admin matters, it is important that you download and onboard as soon as possible to avoid missing out important information.

Please ensure you download the free Parents Gateway mobile application on your mobile phone (available on iOS and Android platforms) and perform a simple one-time login process. Please download and login to the mobile app (Step 3 of user guide) by **8th March 2019 (Friday)**.

To safeguard our students' data, only parents and legal guardians who are SingPass holders will be able to access the mobile app. Step 1 of the user guide shows you how to register for SingPass if you have not yet done so.

Please scan the QR code below or access <https://goo.gl/M4qmAq> for the user guide

Should you have any questions, please contact your child's/ ward's Form Teacher or HOD ICT at zhuo_weiwen@moe.edu.sg.

Yours Sincerely,

Mr Zhuo Weiwen, HOD ICT
