Dear Parents/Guardians,

## **P5 Safe Riding Programme 2019**

Land Transport Authority has launched The Safe Riding Programme (SRP) which aims to equip the students with the knowledge and skills to ride safely and ensure safe and harmonious journeys for all commuters. The programme will be held in school as a post exam activity and will be delivered inclusively for all students, both cyclists and non-cyclists.

The details are as follows:

Date : Monday, 27 May 2019

Attire : School P.E. T-shirt and skirt/pants

There is a participant form that LTA will require the parents to endorse the information on Page 1 and return the form to the school by Wednesday, 24 April 2019. Please do not indicate anything on Page 2 as that will be done with the students during or after the programme.

In addition, by signing on the form, you will also allow LTA to verify your child's/ward's NRIC/FIN with the school in case there is an error on it. All student data is only used for identification purpose for this LTA Safe Riding Programme.

We look forward to your support in working with the school to provide your child/ward with a rich learning experience.
